HEARST TRIAL ENDORSED BY TRADE UNIONS: SUPPORT PLEDGED

BY UNANIMOUS VOTE BOTH THE I.S.U. AND THE SHIP SCALERS PASSED RESOLUTIONS AT THEIR LAST MEETING ENDORSING THE "HEARST ON TRIAL" MEETING OF THE AMERICAN LEAGUE AGAINST WAR AND FASCISM. The trial will be held at the building trades temple, 200 Guerrero st., July 31st., at 8 P.M. The Democratic Council, the Women's Auxiliary I.B.A. and the I.W.O. have also endorsed the meeting. Closely following regular court procedure the League will present to the people of San Francisco, the forty year record of Hearst as a war-maker and expose his newest campaign of so-called "Americanism" as a fascist program. Bert Leech, Pacific Coast Organizer, will propose the indictment in behalf of the American people, charging HEARST on two counts: that he is a war-maker—that he is a fascist. Witnesses will then take the stand and under questioning by both the defense and prosecution, submit evidence to support the charges.

LAST MINUTE FLASH

At the time of going to press the officials of the Building Trades Temple inform us that they wish to cancel the contract for the hall for the Hearst trial. The League is organizing a protest delegation of prominent people to investigate the reasons.
