What does the

think about the
next conference?

The Government has become con-
scious of the fact that it attempted to ex-
plain the law that it is now trying to
enforce against the Sailors' Union.

At a meeting between the Sail-
ors' Union and the shipowners,
President Hoover said:

"I am glad to see that the
appointees of the
San Francisco Police,
who are now in charge,
are doing their best to
maintain public order.

"They have been
cooperative in every
way, and I am con-
vinced that they will
continue to do so until
the situation is com-
mpletely resolved."

As the Sailors' Union
advised their appointees,
they have been working
hard to disabuse the
public of any mis-
conceptions about the
situation.

Explosives Desolated for Murdering Spanish Workers' Unions

At Philadelphia

By Harry F. Swann

Special to The New York Times

COURT HOUSE No. 3, Philadelphia, Pa., July 21—Explosives were used on Monday in an attempt to blow up workers' unions here in the same section where the strike of the International Brotherhood of Teamsters, Chauffeurs, Warehousemen and Office Workers was called off earlier in the month.

The explosion occurred in a building of the union known as the Philadelphia Labor Temple. The building is located on the corner of Broad and North Streets.

The building was damaged by the explosion, but the buildings adjacent to it were not affected.

The explosion was the third in a series of bombings that have taken place in Philadelphia in recent weeks.

Two people were killed in the first explosion, which occurred on July 11. A third explosion occurred on July 18.

The bombings have been attributed to anti-union groups, and the bombings have caused the union to suspend its meetings.

On Monday, the union's executive board met to discuss the situation.

The board decided to continue its meetings, but to take precautions against further attacks.

The union has requested the assistance of the police in securing its premises.

The board also plans to increase security at its meetings, and to inform its members of the precautions that will be taken.

The union has appealed to the public for support in its efforts to maintain its meeting places.

The union has also appealed to the government for assistance in dealing with the situation.

The union has offered a reward for information leading to the arrest of the persons responsible for the bombings.

PASSENGERS DONATE TO DEFENSE COMMITTEE

For many years past it has been the custom of the members of the Brotherhood of Longshoremen to make generous contributions to defense organizations and other patriotic causes. The late President, R. S. Brown, took a hearty part in this patriotic movement. His efforts were much appreciated by the men of the lodge.

I am happy to report a defense contribution was made recently to the United States Defense Savings Bank by the members of the lodge. This contribution is in honor of the memory of R. S. Brown, who was a staunch and consistent friend of our country.

STAND BY

The appeal of the officers of the Brotherhood of Longshoremen, asking all members to purchase bonds of the United States Government, has been responded to by a large number of members of the lodge. The proceeds of this appeal will be used to furnish war supplies and to aid in the prosecution of the war.

DEFENDS L. V. M. ON SECOND S.S. PRESIDENT

The Editorial Board of the "Voice of the Federation" is opposed to the bill to create a second S.S. President. We believe that the existing system of presidential government is adequate and that the creation of a second S.S. President would be detrimental to the interests of the longshoremen.

STOCKTON THROWS WORKERS A BONE

The workers at Stockton yards have been thrown a bone by the management. The workers were promised a raise in wages and a shorter working day. We are happy to report that the workers have been able to secure these concessions.

Picture of the Day

The picture of the day shows a group of longshoremen standing on the dock. The men are in good spirits and are ready to work.

Your Union Meeting.

Boys who are not wearing buttons.

[Signatures of officers]

Mr. Reader. We select persons for our union based on their ability to do the work and their willingness to work hard. We do not ask for any political ideas, nor do we discriminate against anyone.
