SAN FRANCISCO—Fifteen hundred and fifty dollars came off the debit of the Voice of the Federation this week when Bruce Han- non, Secretary-Treasurer of the Voice of the Federation, presented a check for that amount on loans by the locals.

The Voice today is in a better financial position than ever before. However, I sent the following letter to one of the locals to which the loan was repaid:

December 8, 1938.

"I Salute a Man"

Editor, Voice of the Federation:

I have just seen confirmation of the death of Joe Bausman, a long-time member of the Maritime Federation, and the Maritime Federation.

We had heard previously that he was killed fighting in the defense of democracy in Spain. But for the fact that he had been killed fighting in the defense of democracy in Spain, he was a long-time member of the Maritime Federation.

I remember talking to Joe one day when he was in the street in San Francisco. He'd been a member of the federation for years. He was a great fighter against the injustices and oppressions of the system.

When you think of it, it was like it was in the streets of San Francisco. He was a great fighter against the injustices and oppressions of the system.

But for the fact that Joe Bausman was killed fighting in the defense of democracy in Spain, he was a long-time member of the Maritime Federation.

People's Legislative Meet Maps Worker's Program This Winter

By Paul Stumpf

The legislative program of the Maritime Federation of the Pacific this winter includes major efforts to represent active members and to organize the CIO labor unions.

The convention began on Friday with the address of the A. F. L. labor leaders in the Maritime Federation in Washington, D.C. That was followed by a discussion of the long-standing struggle between the AFL and the CIO in the maritime industry.

The convention also included an address by the AFL labor leaders in the Maritime Boys, a labor union in Seattle, on the role of labor in the political process.

CANNERY WORKERS EXPOSE ALASKA DISCRIMINATION

WELCOME TO NATIONAL CONFERENCE OF CICA—Our CICAFWA convention opened in a most impressive manner yesterday morning, with a stirring address by John D. Rockefeller, Jr., chairman of the board of the Rockefeller Foundation.

The convention, which is being held in conjunction with the national conference of the CICA, is being attended by officials from all parts of the United States.

CITY BUS COMPANY

During the course of the convention, the CICAFWA will also be discussing the role of labor in the political process.

BU Faces Dismissal Wage Cut

SEATTLE.—Brother Worked 200 hours in the month of December, but his wages were cut by 25 percent because of the strike.

The results of the vote were announced by the Secretary-Treasurer, who said that 60 percent of the members voted in favor of the decrease.

The secretary-treasurer also announced that the CIO has decided to support the workers in the strike.

Buses $36.00
Since the secretary's announce last week that the President's and the Woman's Line bus service is for the convenience of bringing the ships out from New York, these letters and notices and new registrations were received. Negotiations were on
Some of these men will start out to get in New York this week and many of them are required to have a bus ticket to New York to be able to ship to Chicago. The Department would prefer if there was a bus service for the convenience for these members.

Clay Street Notes
The meeting on the corner of Clay and Sacramento was well attended. The members present were:

Secretary: A. J. Smith
Treasurer: J. C. Johnson
Assistant Secretary: W. H. Brown

The meeting was called to order by the President, who introduced the following new members:

John Doe, John Smith, John Brown

J. Doe, J. Smith, J. Brown

Cambriller Meeting
Vacations
sketching

Tom Mooney, our honorary member, was present and spoke on the importance of vacations for the health of the members. He stressed the need for rest and relaxation after long hours of work. He also discussed the benefits of sketching as a form of exercise and a way to improve eyesight.

Additional Rank and File Letters
"Give Us One Break Toward Unity With Our Fellow Workers... A Teamster"

I am a Rank and File Teamster. I have been a member of the ILWU for 15 years as I work on the heavy rigs that haul the steel.

I know too much about economics and labor strategy but I do know that the history of my friends is the history of the whole world.

If we are to meet and defeat the attacks of these bosses, we must unite and be strong. We must unite with other workers to present to the bosses a giant of worker solidarity.

The Maritime Federation of the Pacific is the union which, according to the traditions of the union, has been the leader in the fight for the rights of the workers. It is the union which has won the most concessions and the most victories. It is the union which has the most members and the most influence.

There is no better way to defend our rights than by belonging to the Maritime Federation of the Pacific. It is the union which has the most members and the most influence.
The next day written in the orders of the day were the following inserted which read: "The Lincoln Washington Battalion has lost its best soldier, Joseph Bianca."

Thus the Spanish soldiers as well as the American Fighting men who supported the cause of the Republic had lost their best soldier. Bianca, who never had the opportunity of reading Lundeberg's message of expulsion, because the Fascists had killed him first.

After a week's rest, the Lincoln Washington Battalion were back in the trenches contending against the Fascist counter attacks waged by the Fascists who were desperately trying to regain their lost ground.

William Slivon, another member of the SUP and also on Lundeberg's expulsion list had been over here for the past 17 months. He was left on the picket line fighting the Fascists. In charge of a squad of gunners, Slivon was wounded lightly in the knee but didn't believe in wasting good fighting time by going to the hospital. Instead of these fierce counter attacks of the Fascists, in which 100,000 Fascists were in the air at one time all artillery and tanks that Slivon was killed, kneeling behind his machine gun, defending his position. A three-inch trench mortar landed in the trench from him. He was killed instantly. Slivon never lived to read Lundeberg's expulsion order!

Many Matson sailors will remember Slivon for he was a delegate on a few of the Matson boats and was captain of the pickets at his pier during the last strike.

Some day, I am sure, when the membership of the SUP finally awakens and realizes what some of their attacks have been successful. It has opened and made a wedge whereby the Snipes can slip through and reenter the SUP. The membership to regain their lost ground.

When I left San Francisco 18 months ago, I talked with hundreds of SUP members who not only showed me that they were prepared for another strike, but that they were also prepared to get the job done. The union is in good hands with these members. Jack Pierce, another victim of Lundeberg's list is either dead or captured by the Fascists.

The Maritime Federation of the Pacific pledges its solid support to a legislative program to secure wage and hour benefits for the agricultural and cannery workers. Experience has taught the workers that the combination of labor unity—economic action and political pressure will bring many of the social improvements so badly needed, particularly among the agricultural workers. HIGHER WAGES, BETTER WORKING CONDITIONS, ADEQUATE HOUSING AND HEALTH SERVICE.

WE KNOW

THE AGRICULTURE AND CANNERY WORKERS ARE FOR UNITY. THEY HAVE SHOWN ECONOMIC STRENGTH UNDER VIGILANTE TERROR. THEY KNOW THE NEED FOR POLITICAL ACTION.

WE URGE INCREASED UNITY AS THE GUARANTEE OF SUCCESS IN THEIR PRESENT PROGRAM.

The Federation salutes the Fishermen about to assemble here for the Federated Fishermen’s Council Conference. It affords real pleasure to see the unity of action that is asserting itself among the fishermen and their efforts to carry this to other allied groups. It is significant and timely that two such progressive groups are assembled here at the same time and for identical purposes. What is true of the Agricultural workers is likewise true of the fishermen and one of the things most to be hoped for, is a joint organizational program for organizing the unorganized which would greatly benefit both bodies.

THE FISHERMEN PLAY AN IMPORTANT ROLE IN THE POWERFUL MARITIME FEDERATION.

THEY STAND SOLIDLY BEHIND OUR CONSISTENT PROGRAM FOR UNITY OF WORKERS.

THEY ALSO KNOW THE NEED FOR POLITICAL ACTION.

WE URGE INCREASED UNITY AS THE GUARANTEE OF SUCCESS IN THEIR PRESENT PROGRAM.
**NEW BALLOT**

Voting will begin this week on a new ballot covering the question of the necessary dues in June. It is expected to reach you in time so that we can have the discussions over this point before the end of the month.

This shows that the membership there does not realize that there is a necessity for a new ballot. Can we have a discussion on the matter? The board of directors is not satisfied with the membership's attitude. They are not in favor of any change in the dues.

The only way to allow the dues to be raised is to cut the benefits that are currently being received. We need more funds to support the organization.

On the other hand, the dues are miserable because of the fact that they are not being used properly.

**OVERTIME**

It is almost two years since we began working under an agreement providing for the payment of overtime in a stipulated ratio. It is true that we have been able to make a very minimum, since the start, most of the work has to be done by machine. But this is not as bad as it seems. We are in the midst of a depression and must realize that.

It appears that we will not be able to make a profit out of the agreement.

**ATTENTION STEWARDDESSES**

Meeting January 11th, 1920. Stewardesses will be present to answer by Zita Alt at the Shipping House.

11. Shipping cooks can be changed twice each month at the request of the stewardesses. This is to be done by the ship's master and not by any other person.

2. The union must be present in all conferences or meetings held at the ship's master. The union's representative shall be present.

3. The union must be present in all conferences or meetings held at the ship's master. The union's representative shall be present.

4. The union must be present in all conferences or meetings held at the ship's master. The union's representative shall be present.

5. The union must be present in all conferences or meetings held at the ship's master. The union's representative shall be present.

**NOTICE**

The Stewardesses' Association is presenting a proposal for admitting new members and increasing the dues.

**RESOLUTION**

The resolution that has been approved of such as new attitudes towards the unions achieved over the past three years has been due in the latter part of December.

**Maritime Auxiliary**

Enrollment of the various jobs that used to be done by the lockout.

**Maritime Federation**

The week before last 398 sailors cleared from the sea, the minister of the Apostleship of the Sea.

WHEREAS: There is a fund that was collected on board the S. S. Mariposa for the support of the hall in Honolulu, Hawaii.

WHEREAS: The above mentioned fund is serving a useful purpose as the question of the Honolulu hall is still unsolved.

RESOLVED: That said fund be turned over to the ILWU 1-13 membership and subscription present calls for an insufficient quantity for the above-mentioned purpose.

**NOTES**

By forwarding to you this acknowledgment and appreciation I wish to express my personal recognition of the assistance given to the Labor for the past year.
