MC&S Adopts New Plan for Handling Intra-Union Beef

SAN FRANCISCO—The Marine Cooks and Stewards have announced a new plan for handling intra-union beef, as outlined in a letter to the Washington headquarters of the Marine Cooks and Stewards.

The plan provides for a joint meeting of the executive council and the Marine Stewards' committee to be held at the office of the Marine Stewards' committee, with the purpose of discussing the problems presented by the new plan. The meeting will be held at 2 p.m. on October 25, at the office of the Marine Stewards' committee.

The plan is designed to improve the working conditions of the union members, and to ensure a fair hearing of all grievances.

MC&S Asks Vets Join Anti-War Committee Now

SAN FRANCISCO—As the result of a decision of the Marine Stewards' committee, the Marine Cooks and Stewards have asked all members of the American Legion, the Marine Stewards' committee, and the Marine Cooks' local unions to join the Marine Stewards' committee in its anti-war activities.

The Marine Stewards' committee has been active in the war effort, and has been working closely with other war organizations.

MPS Calls Salmon Conference

(Continued from Page 1)

Fine salmon fishing is being conducted in a market where there is an extremely difficult in the matter of demands because of the following reasons:

1. The demand for salmon increases in the market where the salmon is being fished.
2. The demand for salmon is limited by the supply of salmon available in the market.
3. The demand for salmon is affected by the price of salmon in the market.
4. The demand for salmon is affected by the availability of other fish in the market.

Neutrality Bill

ACU Will Ask Flat Wage

SAN FRANCISCO—In a resolution which includes a statement on the President's neutrality bill, the American Legion, which represents a large number of American Legion posts in the United States, has asked for a flat wage for all American Legion members.

The American Legion has been actively supporting the neutrality bill, and has been working closely with the American Legion in its efforts to promote the bill.

Terror in Madera

Unionist Tells of Thugs' Attack On Workers

Editor, Voice of the Federation:

Portion I am writing this appeal to the "Voice of the Federation" so that the readers may understand fully to what extent the American Workers are moving in this country to crush the trade union movement.

After reading various press reports, I visited Madera last week. The facts that I beheld there I found it necessary to communicate to our readers.

At the last meeting of the Agricultural Workers' Union, I asked the Chairman of the Atlantic District, Harry Hook, E. F. Dillon, of the Watertenders' & Wipers' Association, and the Secretary, V. J. Malone, to explain the situation of the building trade unions in Madera. They made their inspection of the labor situation and could not speak to the members of the union, as the Farmers' vigilantes and fascists are moving in this country in their efforts to crush the farmers. It's important that every case of a violation of the rules be brought to the attention of the local police in the various cities. The state police in an investigation of the building trade unions in Madera, the state police in an investigation of the building trade unions in Madera, are making a sweeping investigation of the building trade unions in Madera, are making a sweeping investigation of the building trade unions in Madera. In closing, I earnestly request that every case of a violation of the rules be brought to the attention of the local police in the various cities. The state police in an investigation of the building trade unions in Madera, are making a sweeping investigation of the building trade unions in Madera.

Headquarter’s Notes

A handful of members were there at 7 p.m. when J. W. O’Hara went before the meeting to present the financial report for the first quarter of this year. The report for the last quarter and the year-end report are also available for those interested. The financial report for the last quarter showed a net profit of approximately $5000. The report for the year-end showed a net profit of approximately $55000. The net profit for the year-end was due to the increase in business during the year.

The Monthly Financial Report

The monthly financial report for the month of September was presented by J. W. O’Hara. The report showed a net profit of approximately $5000 for the month of September. The report also showed that the company’s cash position was strong and that the company was in a good position to meet its financial obligations.

The Annual Financial Report

The annual financial report for the year ending December 31 was presented by J. W. O’Hara. The report showed a net profit of approximately $55000 for the year. The report also showed that the company’s cash position was strong and that the company was in a good position to meet its financial obligations.

The Next Meeting

The next meeting will be held on the first Tuesday of October at 7 p.m. at the company’s headquarters. All interested members are invited to attend.

Awards

The awards for the best performance in the last quarter were presented to the following members: J. W. O’Hara, R. E. Smith, and J. A. Brown.

The Next Quarterly Meeting

The quarterly meeting for the fourth quarter will be held on the first Tuesday of December at 7 p.m. at the company’s headquarters.
San Francisco
Shark Fishing Shows Results In Past Month

SAN FRANCISCO—Shark fishing is a new industry in this city. As a result of the past few months there have been a number of cases reported in which fishermen have caught more than one shark per day. On July 1, 1939, at a price of $90 per ton for sharks, the fishermen have been averaging about 150 pounds per day for sharks. The fishermen have been receiving as much as $52.50 per ton for sharks. In shark fishing in the Bay area, the fishermen have been averaging the highest price in the past few months. The average price for sharks is $90 per ton.

SARDINE FISHING—Sardine fishing is being done in Point Montara, with the best results being reported from the San Pedro and San Diego canneries. During the week the total output of sardines was slightly over 500,000,000. Some of the fishermen have been selling their catch for $50 per ton, while others have been selling their catch for $52.50 per ton. The price for sardines is about $50 per ton.

SARDINE DELIVERIES—San Pedro deliveries are being made in Point Montara. The fishermen are required to fish outside a 25-fathom depth.
