HOw Shippin?

SAN FRANCISCO—(Navy News) Ladies and a wiper to the 6th Avenue, be.

Another meeting to decide on a final contract between the U.S. Navy and the workers was called.

The final vote was to be held on Wednesday, March 30, and the nurses and crew will be present.

The meeting was attended by the nurses and crew.

The following resolutions were adopted:

1. That the nurses and crew be given the right to vote on all matters affecting their welfare.
2. That the nurses and crew be allowed to work in the hospital whenever they desire.
3. That the nurses and crew be paid a fair wage.

The meeting adjourned.

Questions Asked In Firemen's Rating

SAN FRANCISCO—Here are the questions the examiners ask when you go up for a rating of firemen on your efficiency certificate.

1. What is the purpose of a fireman?
2. What is the fireman's job?
3. What is the fireman's equipment?
4. What is the fireman's rating?

The examiners also asked:

1. What is the fireman's pay?
2. What is the fireman's hours?
3. What is the fireman's job description?

The answers were:

1. The fireman's job is to fight fires.
2. The fireman's hours are 12 hours at a time.
3. The fireman's equipment includes the hose, the fire ax, and the fire hook.
4. The fireman's rating is based on his knowledge of the fire department.

The answers to the examiners' questions were:

1. The purpose of a fireman is to save lives and property.
2. The fireman's job is to fight fires.
3. The fireman's equipment includes the hose, the fire ax, and the fire hook.
4. The fireman's rating is based on his knowledge of the fire department.

The answers to the examiners' questions were:

1. The fireman's pay is $100 per month.
2. The fireman's hours are 12 hours at a time.
3. The fireman's job description includes the duties of fighting fires and maintaining the fire station.
4. The fireman's rating is based on his knowledge of the fire department.
